No entry fee for contestants under 18 years of age. Entrants must be AMA members for liability purposes but not necessarily FAC members (although you'd be nuts not to be one). **Please send your check prior to October 10, 2024**, so you won't have to stand in line at registration. **Mail entries to: WESTFAC, % Tom Arnold, 3862 Ridgecrest Dr., Casper, WY 82604.** We will be unable to refund cancellations after **October 10, 2024**. **Make your check out to: WESTFAC**

There is overnight vehicle parking at the flying field. There is no traditional HQ hotel and attendees are encouraged to find their own lodging via the internet EARLY. Fast food is found 10 minutes from the field. The contest officially starts on Friday with on-field registration and trimming only. The individual events start Saturday as listed on the schedule. Retrieval bikes are not allowed. Contest ends 4:00 pm on Sunday. Go to the WESTFAC website, **westernfac.com**, for a complete schedule and details. RVs may park overnight on the field but off the road.

Important Note: While we have no official hotel HQ, we have gotten a fabulous rate from our past WESTFAC hotel of \$120/night from 23-27 Oct 2024. When you call be sure and ask for the Flying Aces Club rate. Call ASAP to get a room as they are limited and the rate will last until **10 October** at which time (if rooms are available) it will revert to the seasonal rate. **(623) 266-2884 Comfort Suites, 15575 W. Roosevelt, Goodyear AZ 85338.**

The Pilots Pre-Launch Checklist (PPLC) will be followed for all the scale aircraft. Pilots are on their honor to comply.....don't risk embarrassing questions. A copy of it is found on the WESTFAC website. Dime Scale and Simplified Scale compliance will be done at the same time. Pilots should anticipate if any problems should arise regarding their aircraft and should have adequate 3-views and documentation available if a question should come up.

Waiver: I hereby release Rovey Farms Corp., Flying R Farms, 66LP, JPS Rovey L.L.C., WESTFAC LLC, any sponsors and any volunteers for the event, the Flying Aces Club, Inc., and all other persons and organizations connected with this contest from any liability whatsoever for accidents incurred while participating in this contest. I also agree to abide by all flying and field rules in force at this contest.
