There is overnight vehicle parking at the flying field. There is no traditional HQ hotel and attendees are encouraged to find their own lodging via the internet EARLY. Food is also on the attendees although there are plenty of restaurants in the area. The contest officially starts on Friday with on-field registration and trimming only. The individual events start Saturday as listed on the schedule. Contest ends 12:30pm on Sunday. Go to the WESTFAC website, **westernfac.com**, for a complete schedule and details.

The Pilots Pre-Launch Checklist (PPLC) will be reviewed for each scale aircraft prior to their competing. A copy of it is found on the WESTFAC website. Dime Scale and Simplified Scale compliance will be done at the same time. Pilots should anticipate if any problems should arise regarding their aircraft and should have adequate 3-views and documentation available if a question should come up.

Waiver: I/We hereby release Rovey Farms Corp., Flying R Farms, 66LP, JPS Rovey L.L.C., WESTFAC LLC, any sponsors and any volunteers for the event, the Flying Aces Club, Inc., and all other persons and organizations connected with this contest from any liability whatsoever for accidents incurred while participating in this contest.
