

Sea Trials 2018

October 26–28, 2018

Rovey Field, Buckeye Arizona

Warm-up event for WESTFAC 7 (2019)

WESTFAC 2019's theme is "Carrier Air." So, just like a carrier goes through Sea Trials to get the bugs out before joining the fleet, WESTFAC 2019 will have its own sea trials to warm up on this off-year. \$20.00 entry fee.

Arrival Day—Alfalfa field available for trimming

Event rules:

- There are no formal judged scale events. PPLC compliance checks and Dime Scale/Simplified Scale judging will be done on the field.
- Awards presented on the field at the end of flying on Sunday. Kanones will be awarded for first place.
- Carrier events—any naval aircraft with a tailhook is eligible—will be ROG from the USS WESTFAC (masquerading as a 10' picnic table). Build your Navy aircraft with plug-in gear for double the fun in competing in the hand launch events too. Standard TOTF rules will apply to both.
- Navy Jet Cat Carrier events will use a common FAC standard rubber catapult attached to a 3' line anchored to the bow. Standard scoring as in FAC Jet Cat with best 3 of 6 but the TRIM may well be different. We'll find out! Standard arm-catapult Jet Cat will also be held.
